I certify that this print is for my academic work at the Yale School of Architecture only. I am not permitted to print models for outside professional work unless I have prior written permission from the Dean of the School.

3D Model Printing Guidelines:

(Initial)

1. I understand the models will be printed on a First Come First Serve basis. (No exceptions)

2. It is my responsibility to make sure the computer model is correct. Models will be printed as is submitted. I am responsible for any mistakes in the printed model that resulted from any defects in the computer model.

3. I am responsible for proper orientation, scale, position, weight and thin fragile models. I also understand that models printed to the powder printer are not accurate and will deform. I am responsible for all prints from this printer.

4. I understand all models need to be removed by a Digital Media staff member, except for the powder printer, if a model is removed by someone other than a DM Staff member then a fine will be assessed on a per incident basis. (No exceptions)

5. The model will be billed to my bursar account. If these models are billed to a Class or Studio budget, the instructor's authorization signature is required before printing the model.

I agree to the conditions as stated above:
